## Sponsor a student for the Student Leadership Camp (SLC) campaign

OTASA is proud to present its second annual SLC. OTASA's SLC is a unique, leadership development opportunity for OT students across the country. In keeping with OTASA's transformation strategy, it has a focus on Black emerging leadership, to facilitate inclusion particularly of the previously marginalised groups not only in the context of the demographics in South Africa but also in the context of the demographics in the OT profession. That being said, the SLC is open to all OT students. This weekend intensive program is aimed at enhancing authentic leadership knowledge and skills in order to develop a vibrant, active OT student network within OTASA. Last year, 34 students from 6 universities were given the opportunity to engage in leadership development and national student networking. This year we are excited to be running the SLC at Camp Discovery again. The camp will be from 22-25 September 2017 and we are targeting 40 participants from all 8 OT programs to participate.

We need your help to make this happen. It costs R1400 per student (inclusive of flights to Gauteng, bus travel to Limpopo and accommodation). Your support is needed. Please pick a sponsorship level: *(please complete return slip below and send back to the OT Office for TAX purposes):*

- Level 1 - R250 - Sponsors food
- Level 2 - R500 - Sponsors accommodation
- Level 3 - R750 - Sponsors bus hire
- Level 4 - R1000 - Sponsors return flights from close destinations
- Level 5 - R1250 - Sponsors return flights from further destinations
- Level 6 – R1400 - Sponsors a full student (inclusive of the food,

accommodation, flights, bus trip to Limpopo and administrative costs)
