

PART TIME PAEDIATRIC OCCUPATIONAL THERAPY POSITION
CAPE TOWN

Step by Step Occupational Therapy Practice, which is situated at Reddam House Constantia in the southern suburbs of Cape Town, is offering a part time paediatric position from 5 January 2022. There is opportunity for this position to be expanded to full-time, should it suit the therapist and meet the practice needs. Step by Step is an established practice with an excellent reputation. The practice offers individual intervention to children from 2-10 years old, as well as classroom-based groups for 3-6 year olds. Our therapists work closely with each other to ensure that we offer the best to each child and family.

Our team of OT's is looking for a passionate and fun-loving Occupational Therapist who enjoys working with children and who will bring a positive energy to our dynamic and high-paced working environment. Professional growth and regular supervision is provided. The therapists at the practice use an integrated treatment approach and specialise in Ayres Sensory Integration®, DIR® Floortime™ and Tomatis®. Training in Ayres Sensory Integration® is an advantage but is not a requirement.
